Puretouch®

no spill Refill

Compatible

Works with your existing systems, no change, no hassle. Seamlessly fits most standard dispensers, making upgrades simple and cost-effective.

No Spill REFILL

Clean refills. Zero mess. Zero waste. Compact, pump-free refills designed for quick, controlled replacement and reduced transport costs.

Made in RSA

Built local. Designed to last. No disposable pumps, less plastic waste, and reliable supply you can count on.

Puretouch is a brand of Flo-Pro Systems, a South African manufacturer of hygiene and washroom solutions, committed to empowering local businesses and improving operational efficiency across the facilities and hygiene trade.
